Summary: In a regular monthly meeting of the Westside Neighborhood Council, the board voted to support the Council motion IF AMENDED TO STRIKE THE WORDS "guns and" from the councilmember's motion so the amended motion would read "...City of Los Angeles hereby includes in its 2021-2022 State Legislative Program SUPPORT for any legislation and/or administrative action that will eliminate live ammunition from the sets of television and motion picture productions..." The WNC vote reflects the board's consensus discussion that the removal of live ammunition (while still allowing the use of real guns as props) could achieve the same result of safer motion picture and television sets -- without undermining the needs of productions or the entertainment industry's contribution to the state's economy.
