Summary: The United Neighborhoods of the Historic Arlington Heights, West Adams and Jefferson Park Communities, Neighborhood Council (UNNC) supports City Council motion 21-0002-S20, Supporting the passage of Assembly Bill 71 (Rivas-Chiu) the Bring California Home Fund which will allocate \$2.4 billion annually to address homelessness and housing across the State of California. Approximately 152,000 Californians are unhoused (California 2019 homeless count). Los Angeles has nearly 60,000 unhoused men, women and children (Los Angeles County homeless count 2020). Everyone agrees, the economic downturn caused by the Covid-19 pandemic will increase homelessness in our state and city. California has been able to use one-time only funding for successful programs such as Project Room Key, Project Home Key, Home Energy Assistance Program (HEAP) and Homeless Housing Assistance and Prevention (HHAP) to successfully address homelessness. Bring California Home will provide ongoing funding for these and other proven strategies. Passing this motion will allow the State, Los Angeles, and other local governments the funding to build housing and to offer services and programs that can lead to safe, affordable and permanent housing that will allow unhoused Californians to live, thrive and be productive community members.
