Summary: We, the East Hollywood Neighborhood Council, SUPPORT the City Council motion to support H.R. 1019 (Electric Bicycle Incentive Kickstart for the Environment Act) and AB 117 (Electric Bicycle Rebate Pilot Project). Electric bikes reduce the physical effort required to ride a bike and allow more people to ride bikes for longer trips. East Hollywood is a major transportation hub. We as a Neighborhood Council remain committed to supporting alternative modes of transportation to traditional fossil fuel powered single-car drives, including expanded Metro and bus service, cycling, scooters, electric vehicles, etc.
