Summary: The Zapata-King Neighborhood Council (ZKNC) supports this Motion [Exhibit 1] for the City of Los Angeles to adopt a resolution of support for AB 1400, the California Guaranteed Health Care for All Act. This bill would establish a single-payer health care system in California, called CalCare, that will ensure that all Californians, regardless of employment, income, immigration status, race, gender, or any other considerations, can get the health care they need, free at the point of service. The Covid-19 pandemic has exposed how grossly flawed and inequitable our multi-payer health system is and how critical it is for all Californians to be guaranteed access to health care.
