Ad Hoc Committee on Police Reform  
C/O City Clerk  
200 N. Spring Street  
Los Angeles, CA 90012  
Room 395

Honorable Committee members:

The Department has been researching avenues to divert calls for service to other entities within and outside of the City family. One area the Department has been researching is regarding dispute calls for service. The Department has done extensive research of 78,693 calls for service in 2019 which were categorized as disputes. The Department has identified call categories which would be better handled by other entities in the City (entities which currently exist, and an entity which does not currently exist, however this Committee can recommend the creation of such an entity).

The attached fact sheet details this research and recommendations by the Department.

Should you have any questions concerning this matter, please contact Commander Donald R. Graham Jr., at (213) 486-6633.

Very truly yours,
