Comments for Public Posting: There are children being crooned meaning their fraudulent government portrayed killer father piece of shut figures you helped them obtain through exact identity have been torturing my biological children that San Bernardino County never signed over Custody or Jurisdiction over to Bakersfield County for. These Government father presumed fathers are also child molesters and the Government in no way has DNA tested these Guy Carlos Morales Sr . aka who exchange identities like its legal and as someone owes them a damn handout. No I did not allow your damn Government in Los Angeles County to kill my children and your Gov acts like I don't deserve my children. I have unfairly been mistaken on purpose just so you can do harm to my children by permission of their past mother you used and dishonestly passed as me like your crooked Northeast and Rampart Police who ignorantly claim the FBI can give out permission to mutilate whomever they find is surogated to another womb by the Placenta thieves . Guy Carlos Morales Sr used various aliases in the past I found a trail of illegal government allowed aliases that started out with my CD Account falsely claimed by a Guy Carlos Morales Sr or Jr still the fathers. Illegal identity and his then wife that died that used my name and died and gave my CD Account t to Guy my kids fake fraud father as a inheritance and thats not possible cause my CD Account could never been inherited and my CD Account was filed as me being single and not changeable whatsoever no matter what circumstances and . I know the change was a illegal inside job and I want the Guy who thinks hes Union backed placed in prison for a long time because your stupid Cops play on honorong fake fraudulent thieves that act like their called here AMD there who get out on V passes from your local jails in Burbank ca and can just pick up my children from their famolies that my Godfather given them these assholes even sent their female face that has a vagina who acted like a father and gotten them to come with them to the house next door and the three houses next to this next door house to be tortured and only cause your screwed up Cops want my money you will soon fond I own and does not belong in Highland park for your money hingry Government but was placed here unopened for me . its funny that your crook Government kidnapped 4 of my children in 1999 just so the handling and passing out of my money illegally would

look legitimately gifted by their mother who was dead.
