Comments for Public Posting: Please do not extend this moratorium. I'm stuck with a property I can't sell because no one wants to buy a property where rents can't be increased. I can't afford to maintain the property now and taking out my savings. I'm single grandmother taking care of deceased daughters kids with their dad in prison. I thought this property would help me take care of the kids. With the freeze, I can't provide minimum increase for RSO property and the tenants continued to work with no adverse affect to them throughout the Covid lockdown. This is a nightmare and totally un-American and unfair to small owners.

Comments for Public Posting: Stop: 1) Eviction moratorium, destroying us as owners, property improvements impossible due to cost 2) Rent increase moratorium, dying under cost increases City of LA behind and not leading! Let go of the COVID excuse before you turn the entire city into a crime ridden ghetto. Residents need to be accountable for payment.
