

TRANSPORTATION

MOTION

Cityride, administered by the Los Angeles Department of Transportation (LADOT), is a transportation assistance program for individuals age 65 or older and qualified persons with disabilities residing in the City of Los Angeles and select areas of Los Angeles County. The program offers Cityride participants reduced costs for the purchase of Cityride Dial-A-Ride services and permitted taxicab rides and free DASH bus rides.

The existing Cityride contract (C-127028) will expire on February 1, 2022. The LADOT released a Request for Proposals in April 2021 to select a new operator for the Cityride Program; it is anticipated that the selection process will be completed by mid-March 2022. In order to continue these vital transit services without interruption, it is necessary to extend the current contract until a new contract is approved by the City Council.

I THEREFORE MOVE that the City Council AUTHORIZE the Department of Transportation (LADOT) to extend the existing contract with MV Transportation, Inc. (C-127028) for the continued operation of the Cityride / Dial-a-Ride Program, under the current terms and conditions, until no later than April 1, 2022, subject to the approval of the City Attorney as to form and legality.

I FURTHER MOVE that the LADOT be authorized to make any technical corrections or clarifications to the above instructions to effectuate the intent of this Motion.
