FEBRUARY 24, 2021

With positive covid cases among our unhoused rising, the Echo Park Neighborhood Council supports CF 21-0113 to offer additional non-congregate shelters through expansion of Project Roomkey.

This council especially appreciates that the motion requires communication and partnerships with both unhoused residents and property owners to make the program more effective and enticing.

With federal funds covering the entire cost of non-congregate housing through September 2021, we support the immediate implementation of this program in order to safely and compassionately move thousands from congregate sidewalk communities to temporary, safe single rooms.

Sincerely

The Echo Park Neighborhood Council
