Summary: The Greater Valley Glen recognizes that the present Covid-19 pandemic has posed unique problems for the County's Department of Public Health and that its allocation of resources has at times been open to discussion. However, with the City finding itself strapped financially and with County Health's acceptable track record, we oppose the effort put forth in CF 21-0153 to devote resources to explore the possible creation of a City Department of Health. Rather, explore how to otherwise better coordinate the City's needs with the County.
