Summary: 1. The South Robertson Neighborhoods Council (SORONC) supports the idea of the renaming the Youth Council to the Olivia Mitchell Youth Council CF 21-0182. The SORONC is opposed to having the Department of Neighborhood Empowerment (DONE) to be responsible for the Youth Council. The DONE does not currently have the bandwidth, staffing, or funding to take on another project because of budget and staffing cuts. The DONE cannot currently provide the support to the Neighborhood Council System it is mandated by City Charter to do. 2. The Youth Council has always been under the guidance of the Mayor's Office, which provided staffing support and funding. If the City Council wants to have a Youth Council of their own, then the City Council should provide their own funding and staffing to support their own Youth Council or a separate city department for the Youth Council and to sufficiently fund such a department. 3. The SORONC demands that the City Council to eliminate gender binary language in this Council File 21-0182 and all Council Files moving forward and to include language that recognizes that gender is a spectrum.
