Summary: Whereas budget and staffing cuts prevent DONE from allocating adequate staff, time, and funding to assume a responsibility the scope of a Los Angeles City Council Youth Council; Whereas DONE cannot currently provide the support to the Neighborhood Council system that it is mandated by the City Charter to provide; Whereas Los Angeles City Council has not yet reformed or, in many cases, addressed the existing, ongoing inefficiencies and misconduct at DONE, including a number of substantive complaints about department overreach; Therefore, be it resolved that: 1. The Central San Pedro Neighborhood Council (CeSPNC) opposes establishing a Youth Council under the jurisdiction of the Department of Neighborhood Empowerment (DONE). 2. If City Council wishes to establish a Youth Council, then City Council should provide their own funding and staffing to support their own Youth Council or a separate city department for the Youth Council and to sufficiently fund such a department. 3. CeSPNC demands that LA City Council eliminate gender binary language.
