MEMORANDUM TO FILE

The purpose of this memorandum is to note for the record that an appeal was filed by the Laurel Canyon Association on the Board of Building and Safety Commissioners' (BBSC) decision in granting approval of a haul route application and associated categorical exemption at its meeting held on February 2, 2021, to export 5,237 cubic yards of earth for the property located at 2201 North Sunset Plaza Drive (Board File Number 200084; Environmental No. ENV-2019-3123-CE). The Office of the City Clerk received written correspondence containing said appeal on February 16, 2021.

Pursuant to Los Angeles Municipal Code (LAMC) Section 91.7006.7.5, any affected person, including the applicant, who is dissatisfied with the BBSC's decision on a haul route application, may appeal the BBSC's decision to the City Council within ten days by filing an appeal with the City Clerk. This appeal was deemed invalid inasmuch as the written correspondence from the Laurel Canyon Association was not received by the Office of the City Clerk within the appeal period prescribed in LAMC Section 91.7006.7.5. Council file No. 21-0200 is now closed.
