Summary: Council File 21-0307 In March of 2020, the city of Los Angeles established two pilot hygiene programs in support of the homeless. One was a weekly shower service program and the other was the deployment of portable toilets and hand washing stations. The pilot programs ended on June 30, 2021. On August 20, 2021 the Los Angeles City Council voted 13-0-2 to continue the 2 programs till December 31, 2021 at a cost of \$1,217,130. Rampart Village Neighborhood Council applauds and commends City Council members for their compassion and foresight. Further, we encourage the city of Los Angeles to keep running these two programs into and beyond 2022.
