Summary: The MVCC supports the LA City Civil + Human Rights and Equity Department to coordinate with other City departments - including but not limited to the LA Sanitation & Environment Department, the Department of Cultural Affairs, and the Los Angeles Department of Transportation - to initiate a public messaging campaign, in collaboration with artists from the AAPI communities. The MVCC supports the City of Los Angeles sending a strong public message against anti-AAPI hate speech, hate crimes, violence, racism, xenophobia and intolerance, as well as encouraging individuals to report any incidents of such racist behavior to the Los Angeles Police Department.
