## Insurance

Contractor shall procure at its own expense, and keep in effect at all times during the term of this Agreement, the types and amounts of insurance specified herein. The specified insurance shall also, either by provisions in the policies or by endorsement attached to such policies, specifically name the City of Los Angeles, Los Angeles World Airports, its Board of Airport Commissioners (hereinafter referred to as "Board"), and all of its officers, employees, and agents, their successors and assigns, as additional insureds, against the area of risk described herein as respects Contractor's acts or omissions in its operations, use and occupancy of the premises hereunder or other related functions performed by or on behalf of Contractor on Airport.

With respect to Workers' Compensation, the Contractor shall, by specific endorsement, waive its right of subrogation against the City of Los Angeles, Los Angeles World Airports, its Board, and all of its officers, employees and agents, their successors and assigns.

Each specified insurance policy (other than Workers' Compensation and Employers' Liability and fire and extended coverages) shall contain a Severability of Interest (Cross Liability) clause which states, "It is agreed that the insurance afforded by this policy shall apply separately to each insured against whom claim is made or suit is brought except with respect to the limits of the company's liability," and a Contractual Endorsement which shall state, "Such insurance as is afforded by this policy shall also apply to liability assumed by the insured under this Agreement with the City of Los Angeles."

All such insurance shall be primary and noncontributing with any other insurance held by City's Department of Airport where liability arises out of or results from the acts or omissions of Contractor, its agents, employees, officers, assigns, or any person or entity acting for or on behalf of Contractor.

Such policies may provide for reasonable deductibles and/or retentions acceptable to the Chief Executive Officer of the Department of Airport (hereinafter referred to as "Chief Executive Officer") based upon the nature of Contractor's operations and the type insurance involved.

City shall have no liability for any premiums charged for such coverage(s). The inclusion of City, its Department of Airports, its Board, and all of its officers, employees and agents, and their agents and assigns, as insureds, is not intended to, and shall not, make them, or any of them a partner or joint venture with Contractor in its operations at Airport.

In the event Contractor fails to furnish City evidence of insurance and maintain the insurance as required, City, upon ten (10) day prior written notice to comply, may (but shall not be required to) procure such insurance at the cost and expense of Contractor, and Contractor agrees to promptly reimburse City for the cost thereof plus fifteen percent (15%) for administrative overhead.

At least ten (10) days prior to the expiration date of any of the above policies, documentation showing that the insurance coverage has been renewed or extended shall be filed with City. If such coverage is canceled or reduced, Contractor shall, within fifteen (15) days of such cancellation or reduction of coverage, file with City evidence that the required insurance has been reinstated or provided through another insurance company or companies.

Contractor shall provide proof of all specified insurance and related requirements to City either by production of the actual insurance policy(ies), by a broker's letter acceptable to the Chief Executive Officer in both form and content in the case of foreign insurance syndicates, or by other written evidence of insurance acceptable to the Chief Executive Officer. The documents evidencing all specific coverages shall be filed with City prior to commencement of this contract. The documents shall contain the applicable policy number, the inclusive dates of policy coverages and the insurance carrier's name, shall bear signature and the typed name of an authorized representative of said carrier, and shall provide that such insurance shall not be subject to cancellation, reduction in coverage or nonrenewal except after written notice by certified mail, return receipt requested, to the City Attorney of the City of Los Angeles at least thirty (30) days prior to the effective date thereof.

City and Contractor agree that the insurance policy limits specified herein shall be reviewed for adequacy annually throughout the term of this Agreement by Chief Executive Officer, who may thereafter require Contractor to adjust the amounts of insurance coverage to whatever amount Chief Executive Officer deems to be adequate. City reserves the right to have submitted to it, upon request, all pertinent information about the agent and carrier providing such insurance.

### ***City Held Harmless***

To the fullest extent permitted by law, Contractor shall defend, indemnify and hold harmless City and any and all of City's Boards, officers, agents, employees, assigns and successors in interest from and against any and all suits, claims, causes of action, liability, losses, damages, demands or expenses (including, but not limited to, attorney's fees and costs of litigation), claimed by anyone (including Contractor and/or Contractor's agents or employees) by reason of injury to, or death of, any person(s) (including Contractor and/or Contractor's agents or employees), or for damage to, or destruction of, any property (including property of Contractor and/or Contractor's agents or employees) or for any and all other losses, founded upon or alleged to arise out of, pertain to, or relate to the Contractor's and/or Sub-Contractor's performance of the Contract, whether or not contributed to by any act or omission of City, or of any of City's Boards, officers, agents or employees. Provided, however, that where such suits, claims, causes of action, liability, losses, damages, demands or expenses arise from or relate to Contractor's performance of a "Construction Contract" as defined by California Civil Code section 2783, this paragraph shall not be construed to require Contractor to indemnify or hold City harmless to the extent such suits, causes of action, claims, losses,

demands and expenses are caused by the City's sole negligence, willful misconduct or active negligence. Provided further that where such suits, claims, causes of action, liability, losses, damages, demands or expenses arise from Consultant's design professional services as defined by California Civil Code section 2782.8, Consultant's indemnity obligations shall be limited to allegations, suits, claims, causes of action, liability, losses, damages, demands or expenses arising out of, pertaining to, or relating to the Consultant's negligence, recklessness or willful misconduct in the performance of the Contract.

In addition, Contractor agrees to protect, defend, indemnify, keep and hold harmless City, including its Boards, Departments and City's officers, agents, servants and employees, from and against any and all claims, damages, liabilities, losses and expenses arising out of any threatened, alleged or actual claim that the end product provided to LAWA by Contractor violates any patent, copyright, trade secret, proprietary right, intellectual property right, moral right, privacy, or similar right, or any other rights of any third party anywhere in the world. Contractor agrees to, and shall, pay all damages, settlements, expenses and costs, including costs of investigation, court costs and attorney's fees, and all other costs and damages sustained or incurred by City arising out of, or relating to, the matters set forth above in this paragraph of the City's "Hold Harmless" agreement.

In Contractor's defense of the City under this Section, negotiation, compromise, and settlement of any action, the City shall retain discretion in and control of the litigation, negotiation, compromise, settlement, and appeals there from, as required by the Los Angeles City Charter, particularly Article II, Sections 271, 272 and 273 thereof.

Survival. The provisions of this section shall survive the expiration or earlier termination of this Agreement.

### ***Hazardous and Other Regulated Substances***

(a) Contractor's performance under this Contract and/or occupancy or use of any LAWA property shall be in full compliance with any and all applicable present and future rules, regulations, restrictions, ordinances, statutes, laws and/or other orders of any governmental entity regarding the use, storage, handling, distribution, processing and/or disposal of hazardous wastes, extremely hazardous wastes, hazardous substances, hazardous materials, hazardous chemicals, toxic chemicals, toxic substances, pollutants, contaminants or other similarly regulated substances (hereinafter referred to as "hazardous substances"). Said hazardous substances shall include, but shall not be limited to, mold, gasoline, aviation, diesel and jet fuels, lubricating oils and solvents. Contractor agrees that any damages, penalties or fines levied on City and/or Contractor as a result of Contractor's noncompliance with any of the above shall be the sole responsibility of Contractor and further, that Contractor shall indemnify and pay and/or reimburse City for any damages, penalties or fines that City pays as a result of noncompliance with the above.

(b) In the case of any hazardous substance spill, contamination, leak, discharge or improper storage affecting LAWA property caused or contributed to by Contractor or its employees, servants, agents, contractors or subcontractors, Contractor agrees to make or cause to be made any necessary repairs or corrective actions as well as to clean up and remove any leakage, contamination or contaminated ground to the satisfaction of Chief Executive Officer. If Contractor fails to repair, cleanup, properly dispose of or take any other corrective actions as required herein, City may (but shall not be required to) take all steps it deems necessary to properly repair, clean up or otherwise correct the conditions resulting from the spill, leak or contamination. Any such repair, clean-up or corrective actions taken by City shall be at Contractor's sole cost and expense and Contractor shall indemnify and pay for and/or reimburse City for any and all costs (including any administrative costs) City incurs as a result of any repair, clean-up or corrective action it takes.

(c) Contractor shall promptly supply City with copies of all notices, reports, correspondence and submissions made by Contractor to any governmental entity regarding any hazardous substance spill, leak, discharge or clean-up including all test results.

(d) The provisions of this section shall survive the expiration or earlier termination of this Agreement.

1. **When should I comply with the Insurance Requirements?** The Risk Management Division's Insurance Compliance section is the first place to start if your proposal has been accepted or you have been awarded the bid. You cannot perform any work for the Department without approved evidence of insurance. Please be aware that if current evidence of insurance is not on file with the Insurance Compliance Section, invoices cannot be processed, badges cannot be issued and permits cannot be processed.

**THE ACCOUNTING DIVISION HAS BEEN INSTRUCTED BY THE CITY CONTROLLER NOT TO PROCESS INVOICES UNLESS CURRENT EVIDENCE OF INSURANCE IS IN PLACE.**

2. **What does LAWA consider as Acceptable Evidence of insurance?** The only evidence of insurance acceptable is either a Certificate of Insurance and/or a True and Certified copy of a policy. The following items must accompany the form of evidence provided:
  - a. A copy of the Waiver of Subrogation Endorsement **specifically** naming Los Angeles World Airports on the schedule is required for Workers' Compensation. **A BLANKET ENDORSEMENT AND/OR LANGUAGE ON A CERTIFICATE OF INSURANCE IS NOT ACCEPTABLE.**
  - b. A copy of the Additional Insured Endorsement (CG 20 10 11 85 or similar) **specifically** naming Los Angeles World Airports on the schedule is required for General Liability. **A BLANKET ENDORSEMENT AND/OR LANGUAGE WRITTEN ON A CERTIFICATE OF INSURANCE IS NOT ACCEPTABLE UNLESS YOU HAVE A DIRECT CONTRACT WITH LAWA.**
  - c. The Certificate of Insurance and/or the True and Certified copy of the policy must be signed by the Authorized Representative.
  - d. A copy of the Schedule of Underlying Coverage/Insurance is required for the Excess policy.
3. **Is there an added cost to add Los Angeles Worlds Airports as Additional Insured?** Possibly; there usually is an added cost to doing this. This fact should be considered when you are formulating your costs for the bid or proposal. Check with your insurance agent or broker as .
4. **How can I obtain information on your Insurance Requirements?** An Insurance Requirement Sheet is included in the Proposal/Bid Package, which specifically outlines the types and amounts of coverage required. This Requirement Sheet should be passed on to your authorized agent/broker for their review. You may also contact us at (424) 646- 5480.
5. **Do I need to prepare more forms if I already have LAWA's evidence of insurance?** No. If you already have current evidence of insurance on file with our Risk Management's Insurance Compliance Section, it is not necessary to complete a new set of forms. Once documentation is in place, you do not need to go through the process for each project. **However**, if the documents submitted are project specific, you will need to submit forms for each project. Therefore it is suggested that forms submitted indicate they are for the maximum coverage required and all LAWA projects. Please check with our office to be sure that all coverages are current. Your contract administrator can do this for you as well. Our office maintains a computerized record of your evidence of insurance.

6. **What insurance companies are acceptable to LAWA?** Insurance companies must have an A- or better rating and have a financial size of at least IV to be acceptable to LAWA. We use the A.M. Best Key Rating Guide as our reference.
7. **How long will I need the insurance coverage?** If you are awarded a contract, there will be a provision in your contract which specifically states that it is your responsibility to maintain current evidence of insurance in our files for the contract period.
8. **How long does it take LAWA to process my evidence of insurance?** Evidence of Insurance is processed upon receipt by LAWA. Please submit your evidence of insurance documents to the Risk Management Division's Insurance Compliance Section at [riskinsurance@lawa.org](mailto:riskinsurance@lawa.org), as soon as you are awarded the contract.
9. **When should I complete the evidence of insurance?** Prior to the commencement of this contract, the successful proposer must provide proof of insurance. Do not spend any money to meet the insurance requirements until you are awarded the contract by LAWA. Get an estimate or quote from your insurance agent or broker and factor that into the bid/proposal you are preparing. Enclose a statement, provided on your company letterhead, which states you have reviewed the insurance requirements and that you will provide the required evidence of insurance if you are awarded the contract.  
**Note for Prime Contractors:** Prime Contractors are responsible for ensuring that their Sub-contractors have adequate evidence of insurance coverage appropriate to the work to be performed. At a minimum, if airfield access is involved, the sub-contractor must show \$10 million in coverage, plus endorsements. If no airfield access is involved in the work, the minimum threshold is \$1 million, plus endorsements. In rare cases, if the work is performed entirely off site, there may be no need for evidence of insurance coverage.

7. **Cancellation Notice:** All Certificates must provide a thirty (**30**) days' **cancellation notice provision**, ten (10) days for non-payment of premium).
8. **Self-Insure:** If your agreement requires Workers' Compensation coverage and you have been authorized by the State of California to self-insure, a copy of the certificate from the State consenting to self- insurance must be provided from the State of California as proof of insurance.
