SUMMARY

At the meeting held on October 6, 2022, your Information, Technology, and General Services Committee considered a BSL report relative to the status of broadband co-location deployments and efforts to bridge the digital divide. After an opportunity for public comment was held, the Committee moved to note and file the above report inasmuch as no further Council action is required at this time.

Subsequently, on October 26, 2022, the Public Works Committee also considered this matter and after providing an opportunity for public comment, the Public Works Committee concurred with the recommendation made previously by the Information, Technology, and General Services Committee to note and file this report. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,
