Item Number:

Summary: The North Westwood Neighborhood Council supports investing in equitable and cost-effective models of public safety. Specifically, we back this motion to not hire additional LAPD officers above attrition, in a department that currently receives around half of the City's discretionary budget. Rather, the City should adopt this motion and dedicate the funds that are slated to be spent on additional LAPD hiring to instead invest nearly \$18 million into "Reimagining Public Safety: Unarmed Crisis Response" programs, including additional Crisis and Incident Response through Community-Led Engagement (CIRCLE) teams, unarmed response to traffic violations, and further unarmed mental health crisis response programs. We urge that the Council restore the original motion to what it was before it was amended in committee and that the motion be an actual budgetary change as opposed to merely a report.
