Summary: In a regular monthly meeting of the Westside Neighborhood Council, the board voted to support a City Council motion to “instruct the Planning Department, in consultation with the Department of Building and Safety, and the City Attorney, to prepare and present an ordinance that defines ‘Ghost kitchens’ and ‘Co-living’ residential facilities as an enumerated use with corresponding zones of the City where they can locate, inasmuch as these are land uses currently undefined in the Municipal Code, and part of emerging business models in response to consumer demand.”
