

INFORMATION, TECHNOLOGY, AND GENERAL SERVICES COMMITTEE REPORT relative to the City's progress in creating a Zero-Emission municipal fleet.

Recommendations for Council action:

1. INSTRUCT the City Administrative Officer (CAO), working with the Chief Procurement Officer, General Services Department (GSD), Los Angeles Police Department (LAPD), Los Angeles Fire Department (LAFD), Los Angeles Department of Transportation (LADOT), the Los Angeles Harbor Department (Harbor), Los Angeles World Airports (LAWA), and Los Angeles Department of Water and Power (LADWP), to report within 120 days with a right-sizing analysis of vehicle fleets. The right-sizing analysis should consider:
 - a. The size of each department or proprietary's vehicle fleets to ensure that the size and the makeup of that fleet is appropriate for their needs.
 - b. Whether any internal combustion engines in each vehicle fleet could be performed by zero-emission sedans, trucks, or vans, including recommendations for phasing out excess vehicles or for replacement of these vehicles with zero-emission sedans, trucks, or vans.
2. INSTRUCT the CAO to identify funding to conduct this right sizing analysis, including funding for a consultant, if needed.

Fiscal Impact Statement: None submitted by the LAHD, GSD, LAPD, LADWP, LAFD, LAWA, or LADOT. Neither the CAO nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: None submitted
