Summary: The Empowerment Congress North Area Neighborhood Development Council (NANDC) supports the designation of the Korean Methodist Church at 1276 W. 29th Street as a Historic Cultural Monument (HCM). The Board voted unanimously on April 1, 2021 to support the HCM nomination for its significance in the Korean American community and culture and to invite pastors and others to join in support. This site is important to Los Angeles history and the Korean American community and provides context for its strong historic significance to all of Los Angeles.
