Summary: The Chatsworth Neighborhood Council unanimously wishes to express its endorsement and support for Council File 21-0975 presented by 12th district councilmember John Lee and seconded by Councilmember Monica Rodriguez. Street racing and intersection takeovers have become a chronic issue in Chatsworth amongst other Los Angeles communities. People are injured and killed, intersections are blackened by tire skid marks and crosswalks in school zones are completely obliterated by these activities while very large groups of coordinated assemblies of people are gathered around. Adding penalties that criminalize the promotion of illegal street races and side shows by making it a misdemeanor to knowingly encourage, promote, instigate, assist, facilitate, aid or abet the gathering of persons as spectators at these events making it punishable by a fine and or imprisonment is a good step towards reducing the dangers, nuisance, and damage caused by these actions.
