Summary: The Downtown Los Angeles Neighborhood Council (DLANC) supports the motion of improving access for the reporting of hate incidents and synthesizing/analyzing hate act data trends. Specifically the recommendations for Council action pursuant to Motion (Ramen-Lee): 1. INSTRUCT the Civil, Human Rights, and Equity Department and Information Technology Agency, with support from the Los Angeles Police Department, report within 60 days on the following: a. Improving access for the reporting of hate incidents through technological solutions such as the development of a dedicated mobile app and/or integration into the My311LA app. b. Enhancing the data captured through 311 to streamline the reporting of hate incidents and referral to relevant services. c. Integrating the various entry points and sources of data into one unified system. d. Creating a data analysis tool that can be accessed by the Civil, Human Rights, and Equity Department for regional hate-related data. e. Resources required to implement identified improvements. 2. INSTRUCT the Chief Legislative Analyst (CLA) to report on State and Federal funding available for the City to synthesize and analyze hate act data trends and further implement resources to address these acts.
