Summary:

On October 6, 2021, your Committee considered September 3, 2021 CAO and August 23, 2021 City Attorney report and Ordinance relative to the establishment of the salary for the new, non-represented classification of Environmental Technician (Class Code 7316). According to the CAO, on July 9, 2021, the Board of Civil Service Commissioners approved the creation of the new classification of Environmental Technician (Class Code 7316). Subsequently, on June 29, 2021, the Executive Employee Relations Committee approved the recommendation of the CAO to establish the salary for the new, non-represented class at Salary Range 2566 (\$55,060 - \$80,471). Accordingly, the Ordinance transmitted herewith adds Environmental Technician at Salary Range 2566, to the City's classification listing in Schedule "A" of LAAC Section 4.61. The Ordinance also provides salary increases through June 18, 2023, consistent with the salary increases approved by City Council for non-represented classifications.

After having provided an opportunity for public comment, the Committee moved to recommend approval of the recommendations contained in the CAO report and Ordinance as detailed above. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

Personnel, Audits, and Animal Welfare Committee
