The Echo Park Neighborhood Council enthusiastically supports this motion to allocate \$3.86 million for the express purpose of connecting unhoused residents of Council District 4 with permanent housing. We are thrilled to see the motion confidently assert that “shelter and housing” is the solution to the City’s houselessness emergency.

Although we support this motion, this neighborhood council wants to emphasize that the needs of our unhoused neighbors should not be overshadowed by concerns about “visual blight” when prioritizing delivery of services and housing resources.

Echo Park Neighborhood Council would like to see robust investment in more programs such as these across Los Angeles until all in need of housing are off our streets and residing in safe, clean, permanent homes.

### **RESOLUTION**

On November 23, 2021, the EPNC Board of Governors held a Brown Act noticed-meeting, at 7pm through zoom. With a quorum of 13 board members present and vote count of 12 yeas, 0 nays, and 1 abstention, the Board resolved to write a letter of support for the application as set forth above.

Respectfully,  
Echo Park Neighborhood Council

Nick Marccone  
Secretary, Echo Park Neighborhood Council
