Summary: Council File: 21-1186-S1 The Hollywood United Neighborhood Council supports the Mayor's proposed budget in this council file, with a few caveats. We strongly support the housing and community development resources that this budget proposes to bring from the federal government. However, the way this budget has been shared with the public is highly flawed. Given the importance and complexity of this funding, we request future budget processes provide more public review time, outreach and engagement, as well as more transparency in how funding recipients and amounts were determined. This will improve public trust in government.
