Comments for Public Posting: The information compiled for board report 21-0009 by the El Pueblo Department is incorrect. The dept had allowed Gomez to "win" a bid on a contract in litigation as of 2017. Gomez fully aware of litigation and status as presented by stakeholder merchant to commission. Gomez trespassed, altered premises and failed inspection with health department. El Pueblo alleged improprieties placed this business in litigation as well as allowed Gomez to "win" illegal bid of stakeholder business. La Goldondrina, potential sale and transfer was fast tracked to committee and council. All of the above was omitted from the published El Pueblo Commission meeting minutes. This is a violation of The Brown Act.
