

**MICHAEL N. FEUER**  
CITY ATTORNEY

REPORT NO. R 22 - 0332  
OCT 04 2022

**REPORT RE:**

**DRAFT ORDINANCE AMENDING SECTION 103.12 OF THE LOS ANGELES  
MUNICIPAL CODE TO REVISE POLICE PERMIT FEE SCHEDULE**

The Honorable City Council  
of the City of Los Angeles  
Room 395, City Hall  
200 North Spring Street  
Los Angeles, California 90012

Council File No. 21-1268

**Honorable Members:**

This Office has prepared and now transmits for your consideration the enclosed draft ordinance, approved as to form and legality. The draft ordinance amends Section 103.12 of the Los Angeles Municipal Code (LAMC) by revising the entire fee schedule for Police Permits. The draft ordinance would revise the Business Permit Fee Schedule for police permits in LAMC 103.12.

**Fee Notice Requirement**

Because this ordinance would effectuate an increase in existing fees, the notice of its proposed adoption should be given in accordance with the provisions of California Government Code sections 66018 and 6062a. Those sections of State law require that prior to adoption of a new or increased fee a public hearing be held and notice of that hearing be published in a newspaper with two publications at least five days apart over a ten-day period. The notice period begins the first day of publication, and there must be at least five days intervening between the first and the second publications, not counting the dates of publication.

Council Rule 38

A copy of the draft ordinance was sent, pursuant to Council Rule 38, to the Board of Police Commissioners and the City Administrative Officer with a request that all comments, if any, be presented directly to the City Council or its Committees when this matter is considered.

If you have any questions regarding this matter, please contact Deputy City Attorney John W. Nam at (213) 978-8380. A member of this Office will be present when you consider this matter to answer questions you may have.

Sincerely,

MICHAEL N. FEUER, City Attorney

By 

DAVID MICHAELSON  
Chief Assistant City Attorney
