Summary: Proposed Motion in support of the Appeal of 2111 S. Pacific Avenue The Northwest San Pedro Neighborhood Council supports the appeal of the City Planning Commission's approval of the project at 2111 – 2139 S Pacific Avenue as currently proposed for the following reasons: •The proposed 4-story project does not conform to the San Pedro Community Plan which limits projects in this area to three stories; •The project is out of keeping with the context of the immediate neighborhood; •The proposed parking is woefully inadequate particularly in light of the lack of public transit; and •The request to waive loading zone requirements will cause further congestion on the street.
