COMMUNITY IMPACT STATEMENT

The Board of the Studio City Neighborhood Council (SCNC) supports Council File 21-1385 for more effective requirements for on-site posting and mailed notices by the Planning Department for all proposed land use actions, including larger sizes, longer posting periods, renderings where and when appropriate, and use of plain language; and to base those recommendations on notices and procedures already established in other jurisdictions; and to thereby provide all interested stakeholders with fully transparent notices.

Randall Fried
President,
Studio City Neighborhood Council
