Summary: The Board of the Studio City Neighborhood Council (SCNC) supports Council File: 21-4118-S5, Title Designation of Prohibited Locations/Los Angeles Municipal Code Section 41.18/Council District 2. The LA City Council passed, and the mayor signed, revisions to Los Angeles Municipal Code Sections 41.18(c)(1) and (d). As per the ordinance, council members are responsible for designating locations where encampments and other associated activities are to be prohibited within 500'. We support Councilmember Krekorian's designation of the various parks and schools listed in the council file as prohibited locations. Although not in Studio City proper, these facilities are available to, and are used by the stakeholders of Studio City. Having public parks and schools designated as prohibited use is necessary to ensure that these public spaces are safe, clean, and available to all of the public. We encourage Councilmember Krekorian to continue with his prohibited use designations in CD 2, in accordance with LAMC Sections 41.18(c)(1) and (d).
