Summary: The Board of the Studio City Neighborhood Council (SCNC) supports Council File: 21-4118-S6, Title Los Angeles Municipal Code Section 41.18/Designation of Prohibited Locations/Council District 2. The LA City Council passed, and the mayor signed, revisions to the Los Angeles Municipal Code Sections 41.18(c)(1) and (d). As per the ordinance, council members are responsible for designating locations where encampments and other associated activities are to be prohibited within 500'. We support Councilmember Krekorian's designation of the various Tiny Homes villages, Navigation Centers, Bridge Homes, and Designated Facility Shelters as prohibited locations. Although not in Studio City proper, these facilities are available and are utilized by the unhoused of Studio City. Having these locations designated as prohibited use will help eliminate one of the negative effects these facilities can bring to the local community, mainly an influx of encampments, often a few feet away. This will encourage the construction of similar facilities for the unhoused in CD 2 and other districts, and help bring the unhoused indoors.
