Summary: Summary: The Rampart Village Neighborhood Council (RVNC) supports Council File 22-0002-S102, Resolution to address: Reproductive and Abortion Rights. This Resolution encourages the federal government to take actions within their authority to ensure the availability of care to people who can become pregnant and are in need of reproductive care including abortion. These actions include but are not limited to: • Issuing an executive order directing the federal government to develop a national plan defending American's reproductive rights, including the right to an abortion. • Directing the leaders of every federal agency to explore options to protect abortion rights, including the use of federal property and resources to increase abortion access such that reproductive care and abortions can occur on those properties and be exempt from the state's abortion laws. Therefore, RVNC recognizes that these rights are currently protected under California state law and that it is imperative for them to receive greater protection by our federal government. RVNC supports Council File 22-0002-S102.
