Summary: The Sherman Oaks Neighborhood Council (SONC) shares in City Council's advocacy for reproductive rights as the Supreme Court of the United States appears poised to overturn Roe v Wade, and supports City Council File 22-0002-S73 seeking to codify the right of pregnant persons to access safe abortion healthcare into law and hereby affirms its support for the rights of all marginalized groups and members of protected classes as specified in existing California law governing unlawful discrimination, including race, color, religion, sex/gender (includes pregnancy, childbirth, breastfeeding and/ or related medical conditions), gender identity, gender expression, sexual orientation, marital status, medical condition (genetic characteristics, cancer or a record or history of cancer), military or veteran status, national origin, ancestry, disability (mental and physical including HIV/AIDS, cancer, and genetic characteristics), genetic information, and age (over 40). SONC hereby supports these efforts to enshrine such human rights into the California State Constitution, or other appropriate legislative document.
