Summary:

On January 25, 2023, your Committee considered a Resolution (Lee – Rodriguez) relative to the prohibition of oversized vehicles parking along certain streets in CD 12. According to the Resolution, areas in the North San Fernando Valley are experiencing public safety issues associated with large vehicles that are parked overnight and block travel lanes,

thereby creating hazardous conditions. Thus, pursuant to Los Angeles Municipal Code Section 80.69.4, it's proposed that the parking of vehicles that are in excess of 22 feet in length or over 84 inches in height, during the hours of 2:00 am and 6:00 am along the following street segments:

- Both sides of Genesta Avenue between Chatsworth St. and Kingsbury Street
- Both sides of Wilbur Avenue from Nordhoff Boulevard to Prairie Street
- North side of Chase Street between Amestoy Avenue and Oak Park Avenue
- Both sides of Bermuda Street between Haskell Avenue and Blucher Avenue
- Both sides of Ruffner Avenue between Simonds St. and Kalisher Street

After consideration and having provided an opportunity for public comment, the Committee moved to approve the Resolution. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

Transportation Committee
