RE: COUNCIL FILE TRANSMITTAL

On January 27, 2022, the Homelessness and Poverty Committee considered a Controller report relative to City properties available for homeless housing and services. Council file No. 22-0045. After consideration, the Committee voted to move forward the following recommendations:

1. NOTE AND FILE the Controller report dated January 12, 2022, attached to Council file relative to City properties available for homeless housing and services.
2. INSTRUCT the City Administrative Officer to report in 30 days on how centralizing the process of land selection through the Los Angeles Municipal Development Corporation (LAMDC), or other entity, would play a role in creating housing opportunities for the most vulnerable populations in the City.

This file is now transmitted to the Personnel, Audits, and Animal Welfare Committee and Information, Technology, and General Services Committees.
