Summary: While the Greater Wilshire Neighborhood Council (GWNC) supports the right to shelter, it opposes the Motion by City Council Members Bonin, Raman, and Harris-Dawson to allow "shelters for the homeless" and other forms of interim housing to be established and operated on properties located outside of R3, RAS3, R4, RAS4, RS, C2, C4, CS, CM, M1, M2, and M3 zones during a declared shelter crisis for the following reasons: 1)the Motion appears to be premature; the City has not made use of full zones under the current LAMC that could be used without this amendment; and 2) uses in R1 or R2 zones seem to require community input and case-by-case attention to property and uses that are different from commercial and industrial zones. We look forward to reading the report and weighing in with greater specificity at that time.
