REPORT RE:

DRAFT ORDINANCE TO ALLOW THE BOARD OF AIRPORT COMMISSIONERS TO AUTHORIZE ITS CHIEF EXECUTIVE OFFICER TO USE ALTERNATIVE PROJECT DELIVERY METHODS AND THE COMPETITIVE SEALED PROPOSAL SELECTION PROCESS CONSISTENT WITH CITY CHARTER SECTIONS 371 AND 375 FOR THE AIRFIELD AND TERMINAL MODERNIZATION PROJECT AND RELATED PROJECTS AT LAX

The Honorable City Council
of the City of Los Angeles
Room 395, City Hall
200 North Spring Street
Los Angeles, CA 90012

Honorable Members:

The Board of Airport Commissioners desires to authorize its Chief Executive Officer to use alternative project delivery methods and the competitive sealed proposal selection process consistent with City Charter Sections 371 and 375 for the Airfield and Terminal Modernization Project and related projects at Los Angeles International Airport (LAX). This Office has prepared and now transmits for your consideration the enclosed draft ordinance, approved as to form and legality that would accomplish Board of Airport Commissioners' (BOAC) goal.

These projects are highly specialized and time is of the essence, making it critically important that the contractors have the expertise and experience to perform the projects in an accurate and timely manner. According to the BOAC, the effect of the draft ordinance, if adopted, would enable LAWA to most effectively meet these objectives.

If you have any questions regarding this matter, please contact Senior Assistant City Attorney Brian C. Ostler at (424) 646-5010. He or another member of this Office will be available when you consider this matter to answer any questions you may have.

Sincerely,

MICHAEL N. FEUER, City Attorney
