Summary: The current Municipal Lobbying Ordinance Section 48.08.8 only requires lobbyist disclosure for written communications to Neighborhood Councils, so the Rampart Village Neighborhood Council supports an amendment to the ordinance (proposed new Section 48.11 above) to include the same disclosure requirement when a lobbyist makes an oral presentation or verbal public comment to a Neighborhood Council that is related to their lobbying activities. Prior to taking the above action, the Rampart Village Neighborhood Council was informed of the following proposed amendment of Section 48.11. Lobbying Disclosure– Communications to Neighborhood Councils: A. When a lobbying entity communicates, either personally or through an agent, with a Neighborhood Council or a Neighborhood Council member on behalf of a client, the lobbying entity shall disclose or ensure the disclosure of its status as a lobbying entity and the identity of its client. B. For verbal communications, the disclosure shall be spoken at the beginning of the communication. For written communications, the disclosure shall be printed clearly, legibly and conspicuously. The Rampart Village Neighborhood Council urges LA City Council President Nury Martinez to schedule this in the Rules, Elections and Intergovernmental Relations Committee, because it deserves a full and fair hearing.
