SUMMARY

At the meeting held on December 1, 2022, your Information, Technology, and General Services Committee considered an Information Technology Agency report, in response to Motion (Lee – Raman) relative to security measures and protocols in place to detect novel attacks in real-time and any other form of advanced cyber attack that could place critical infrastructure in jeopardy.

After an opportunity for public comment was held, the Committee recommended that Council note and file the report, inasmuch as the report is submitted for information only and no further Council action is necessary. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,

INFORMATION, TECHNOLOGY, AND GENERAL SERVICES COMMITTEE
