Summary: The Board of the Studio City Neighborhood Council (SCNC) supports Council File 22-0797, Title: Illegal Dumping / Multi-Jurisdictional Locations / Los Angeles County / California Department of Transportation (CalTrans) / Memorandum of Understanding. The City of Los Angeles Sanitation Department (LASAN) not only collects residential waste but also abandoned and illegally dumped trash. Waste items left outside of City jurisdiction presents problems of coordination with county and state areas, which can result in lack of timely collection. This has been evident at local homeless encampments and near freeway on/off ramps. It therefore makes sense for the City to have LASAN report on (1) efforts to coordinate trash collection with CalTrans; and (2) the feasibility of entering into a Memorandum of Understanding (MOU) with Los Angeles County and CalTrans to facilitate illegal dumping removal.
