Item Number:

Summary: The Board of the Studio City Neighborhood Council (SCNC) supports Council File 22-0928, which requires Los Angeles Homeless Services Authority (LAHSA) to release monthly reports for one year following any place-based intervention in the City involving more than ten unhoused individuals, such as an encampment with 10 or more people. The reports would detail those who were placed in housing, what type of housing, who did not receive housing or returned to the streets. The SCNC respectfully requests more transparency on the number of permanent support housing units and interim housing beds within the SPA-2 (Service Planning Area) boundaries and the occupancy rates of these facilities on an ongoing periodic basis, either monthly or at least quarterly. These reports should be available electronically.
