Summary: The Board of the Studio City Neighborhood Council (SCNC) supports Council File 22-0930, Title: Compton Avenue / Nevin Avenue / Metro Right-of-Way / Official Police Garage (OPG) / Vehicle Towing and Storage Services / Excess Storage Lot / Lease Agreement. Official Police Garages (OPGs) provide vehicle towing and storage services for 19 Service Areas located throughout the City of Los Angeles. OPGs provide space for the City, including the Los Angeles Police Department (LAPD) and the Department of Transportation (LADOT), to impound vehicles to await release, transport, salvage, or disposal. Recently, these facilities have faced challenges relating to the storage of impounded vehicles, with several areas experiencing great service volume relative to capacity. If there is insufficient storage space, abandoned vehicles, such as broken-down RVs, will be left on our streets and pose a safety hazard. To help alleviate this problem with capacity, the SCNC supports the acquisition of additional excess vehicle storage areas across the City. This includes the Metro Right-of-Way property located at Compton Avenue and Nevin Avenue, which has already been cleared by the Board of Police Commissioners.
