Summary: At a regularly scheduled board meeting on October 10, 2022, Hollywood United Neighborhood Council (HUNC) voted Yea 12, Nay 0, Abstain 0, Ineligible 0 and Recusal 0, to submit a Community Impact Statement (CIS) in support of Council File (CF) 22-1146 Community Impact Statement Portal / Transmissions / City Commissions / Issue and Prevention. As the recent deficiencies in the current CIS Submission system have come to light, we have discovered at least five CIS issued by HUNC have not reached their intended legislative bodies. As the creation of CIS are one of the primary means through which Neighborhood Councils can speak for our communities, it is imperative the City Council commit time and resources to developing a better system. Failure to address these concerns with expedience and thoroughness would demonstrate a disregard for our neighborhoods and the people of our community.
