Summary: Refers to City Council file 22-1154 Venice NC opposes the IKE program as present in Council File 22-1154 for the following reasons: There is no local competitive bidding process. This project needs a financial analysis, as it is using public space to generate revenue. This project has negative environmental impacts and there is no environmental review (CEQA). This project creates visual pollution and takes away space on the sidewalk that could be used for trees. This project is a source of driver distraction, which is contrary to the City's Vision Zero policy.
