RE: COUNCIL FILE TRANSMITTAL

On November 9, 2022, the Public Works Committee considered a City Attorney report and Motion (Buscaino, Lee - O'Farrell) relative to utilizing the competitive Request for Proposals process conducted by the City of Houston, Texas, and requesting an agreement with IKE Smart City, LLC, for the installation and maintenance of interactive kiosks in the City of Los Angeles, Council file No. 22-1154. After consideration, the Committee moved to **approve** the following recommendation:

INSTRUCT the City Administrative Officer, with the assistance of the Bureau of Street Services, Bureau of Engineering, City Attorney, City Tourism Department, and any other necessary bureaus or departments, to report with an analysis of the proposed contract with IKE Smart Cities, including an analysis of potential General Fund impacts, impacts on the Sidewalk and Transit Amenities Program (STAP) contract, appropriateness of a piggybacking on the Houston contract, and approvals required for the IKE kiosks to be installed in the public right of way.

This file is now transmitted to the Budget and Finance Committee.
