Summary: The Harbor City Neighborhood Council believes that the current Los Angeles City Council of 15 members is not nearly large enough to represent the Los Angeles population fairly, fully, and accurately. We support the steps needed to place a Charter reform ballot initiative before the voters of Los Angeles in 2024.

Council File 22-1196

The Harbor City Neighborhood Council believes that the current Los Angeles City Council of 15 members is not nearly large enough to represent the Los Angeles population fairly, fully, and accurately. We support the steps needed to place a Charter reform ballot initiative before the voters of Los Angeles in 2024, with recommendations that ensure representation is fixed to population growth, to increase the number of Los Angeles City Council seats. The number of City Council members has not increased in 93 years. More Council Districts and members would allow for better representation of the full diversity of the City's current population that continues to grow year after year.

Respectfully,

Harbor City Neighborhood Council
