Summary: The Los Feliz Neighborhood Council supports creating a more equitable and transparent City Council, that is representative of all Angelenos, and we call on lawmakers to swiftly pass this Motion. Los Angeles is far overdue for increased representation in City Council, currently councilmembers have more power than many major cities in the United States. By contrast, the city of Chicago has 51 councilmembers, while we have 15. Increasing the number of seats on City Council will help increase transparency, reduce corruption and amplify the voices of Angelenos. For these reasons we urge the City Council to pass this Motion with urgency.
