Summary: The Empowerment Congress North Area Neighborhood Development Council (NANDC) supports convening an Ad Hoc Committee on City Governance Reform charged with implementing reforms to increase transparency, limit corruption and make City leadership more representative of our communities. The NANDC Board voted unanimously to support this Motion by a vote of 10 ayes, 0 nays, 0 abstentions. Transparency is critically important to the democratic process. Recent events releasing recordings by Councilmembers Martinez, de Leon and Cedillo and Labor leader Herrera have shaken the community's faith in those that govern our City. All elected leaders should be held to a high standard and this Committee should make transparency and accountability a goal. Faith in our governance is at stake.
