Summary: The Sherman Oaks Neighborhood Council (SONC) supports CF 22-1197 to create a new ad hoc committee at LA City Council on City Governance Reform to increase transparency, community outreach on important topics, limit corruption at City Hall, and make City leadership more representative of and beholden to the communities served. SONC recommends this committee hold all meetings in a public forum and be composed of persons other than sitting City councilmembers, their staff or paid representatives, and persons who are considered restricted sources and restricted developers under the Ethics Commission or Code, and other persons subject to mandatory disclosure pursuant to Municipal Lobbying Ordinance Update CF 22-0560.
